Monadic and Logoic Planes

Soul consciousness = I am the drop of the ocean. Monad consciousness = there is only the ocean and I am that.

I AM = Soul, I AM THAT I AM = Monad

“The wave may say, ‘I am a wave,’ but in truth, it is only the ocean moving in a form.”

The drop was never truly separate. The illusion of separateness was simply the ocean looking at itself from one point.

As your consciousness evolves:

You move from seeking God (Soul),

to being God-in-expression (Monad),

to resting as God without form or need to express (Logos).

I think Logoic consciousness is on the inner planes so hard to understand in a body.

I of the We (Soul), then I am We and We are (Monad), then All that Is (Logos).

Yes Monad statements, I am you and you are me....We are. Less distinction as unity increases. We eventually merge into All That Is at higher levels...technically we already are but due to body illusion on earth can only merge in group consciousness.

Although lighbodies can merge but this is on other side.

Logoic becomes a unity field.

Ra calls this mind body spirit totality 7th density or something, monad is higher self and beyond monad is totality or All That Is or God.

There is only the ocean...God consciousness...There is only the ocean and we are that, I am the ocean and you are the ocean so I am you and you are me...Monad consciousness.

4D is begining of Soul consciousness. 5D is Soul consciousness and begining of Monad consciousness, 6D is pure Monad consciousness. 7D is Logos consciousness or God consciousness.

A bunch of Russian dolls, greater unity consciousness contains individual consciousness within. And unity is within the individual too, it goes both ways depending on perspective.

Monad is when subject and object begin to disappear into Presence.

Observer and Actor simultaneously becomes Pure Beingness.

Personality = Me and them, Soul = I am the observer and actor, Monad = I am being and We are Source, Logos = There is only Source (I dissolves).

I am the will of God in action equals monadic. God is all there is equals logoic. Consciousness shifts reflect the fifth through seventh initiations.

Identity first is with spirit as part of God, then identity shifts to only God.

These are consciousness levels of the spiritual kingdom beyond human mind.

Not my will but Thy Will be done = Monadic...still subject object but blended vs I am the One Life...no subject object = Logoic. Jesus- I am the Life = Logoic...but not my will but Thy Will be done = Monadic.

They resonate closely, Monadic still has individual distinction but almost all One, vs Logoic is One.

“I am the Will” = Logoic

“The Will flows through me” = Monadic

Monadic is 6th density in Law of One and Logoic is 7th denisty in Law of One but there is some overlap. Subject object distinctive is the key. Monadic some remains because some individual essence identification remains while Logoic no individual identity remains.

But Monadic is less individual than Soul so it is only slight individuality once Monad consciousness is reached. More I AM the instrument than I AM.

The universe is looking out these eyes...individual focus is monadic but universe focus is logoic.

“Each human soul is a unique ray of the One Spirit, a monad expressing itself through many lives.”...Monadic, focus on Spirit/Monad...the vehicle.

“All Monads are emanations of the One Logos, the source of all life and consciousness.”...Logoic, focus on All That Is/God...no vehicle.

Divine Self vs Divinity Itself (God)

Monadic statements zoom in on the individual — the Monad as a discrete, divine spark of consciousness experiencing life and evolving.

Logoic statements zoom out to the universal — the Logos as the overarching, divine cosmic intelligence from which all monads emerge.

As Above so Below...all fractals

The Logoic is the Absolute. The perspective of God in Conversations with God. The Monadic has one foot in the Absolute and one foot in the Relative, just like the Soul. But the Monadic is individual and group consciousness at same time while the Soul is individual with willingness to work with the group for the highest good. Soul is more individual than Monad hence why Monad is called the Oversoul.

In terms of DNA strands, 3 is human (physical, emotional, mental). 4-6 is Soul, 7-9 is Monad, and 10-12 is Logoic- Christ Consciousness, Galactic and Cosmic Counsciosness.

In terms of visions, Logoic is a White Flame, the Core of the Galaxy or Universe, out of which the Monads emanate and the Monad is a brilliant white star (first point of individuality), out of which Atmic light comes which is a white light field that connects everything (spiritual will) out of which the Buddhic emerges (spiritual love) which is Golden light or Rainbow light where the Soul is found then comes mental which is air, then comes emotional which is water (astral), then etheric which is fire (prana- chakras and kundalini) then physical which is earth. First refine the body temple then the emotions then the mind then Soul comes in, then refine individuality for group then Monad comes in, then refine group to planet/solar system and Logoic comes in.

Notice fire comes before earth like the horoscopes first aries then taurus, first leo then virgo, first sagitarius then capricorn. Logoic is time space (and further becomes timeless) and Monadic/Soul is both time space and space time. Time space is absolute and Space time is relative.

In my perspective a Service Path tends to stop at Monad consciousness to serve. Relativity allows one to live life in a body to serve best- pay bills, feed oneself, care for the body etc. Service path is best realized with Monadic consciousness. Relativity allows compassion to flow.

A Freedom Path tends to move to Logoic quickly but while on Earth there is a tendency to neglect the body. Logoic path is better realized on the inner planes. Becoming the All is best realized when you become pure light energy.
